# DWA_03.5 Knowledge Check_DWA3.2

_____

1. User story(ies) in Gherkin syntax for the "+" button.

My Feature Calculator Addition

File   Edit   View

```
My Feature: Calculator Addition
  As a user
  I want to add two numbers
  So that I can calculate their sum

My Scenario: Adding two positive numbers
  Given I am on the calculator app
  When I enter the number "10"
  And I press the "+" button
  And I enter the number "20"
  And I press the "=" button
  Then I should see the result "30" on the calculator screen

My Second Scenario: Adding a positive and a negative number
  Given I am on the calculator app
  When I enter the number "10"
  And I press the "+" button
  And I enter the number "-7"
  And I press the "=" button
  Then I should see the result "3" on the calculator screen
```

_____

2. User story(ies) in Gherkin syntax for the "-" button.
